## ACTUAL AERIAL FERRY LINE FOR AMERICA

Zodiac Dirigible Balloon Has Been  
Brought to New York for That  
Very Purpose.

New York, July 7.—According to  
this morning's American a Zodiac di-  
rigible balloon was brought into New  
York July 4 aboard the steamer  
George Washington by Stuart Davis,  
who intends to establish the first ac-  
tual aerial ferry line in America. In  
the near future the balloon is to car-  
ry passengers on regular trips be-  
tween Narragansett Pier and New-  
port, a distance of eleven miles on an  
air line. It is expected the line will  
be in operation within the next six  
weeks.

If the venture proves successful  
other airships will be added to the  
fleet.

## DR. COOK'S RECORDS RECOVERED

Man Claims to Have Found Them on  
Mount McKinley.

Colorado Springs, Colo., July 7.—P.  
J. Carrigan, an able seaman and plac-  
er miner who arrived in Colorado  
Springs a few days ago, said yester-  
day that he had climbed Mount Mc-  
Kinley and found there the copper  
tube and records left by Dr. Cook to  
establish the latter's claim of having  
first ascended the mountain.

Carrigan's story is regarded by John  
R. Bradley, Dr. Cook's former backer,  
as sufficiently plausible to warrant  
careful investigation.

## MR. E. M. DUNLAP DEAD.

Died in Hospital at Galveston After  
Long Illness.

Brazos county has lost another of  
her valued citizens in the person of  
Mr. E. M. Dunlap, of Millican. News  
was received here today of his death  
which occurred at 9:30 this morning  
at the Sealey hospital in Galveston.

Mr. Dunlap had been in bad health  
for a long time and for the past few  
weeks had been under treatment in  
Galveston and his death occurred in  
thelcity.

He was about 58 years of age and  
had lived at Millican almost, or quite,  
all his life. Was a good man and citi-  
zen and held in the highest esteem by  
a large circle of friends. He was a  
devoted member of the Methodist  
church and a Christian gentleman.

He leaves a widow and three sons  
and one daughter and two step daugh-  
ters, to mourn his loss. The bereaved  
ones have the heartfelt sympathy of  
neighbors and friends in their great  
affliction.

The remains will arrive at Millican  
tonight and he will be laid to rest to-  
morrow afternoon at 4:30 in the Mil-  
lican cemetery.

## EVERYBODY HAS LOST 49 CENTS IN A YEAR

At Close of Fiscal Period There Was  
Decrease to That Extent in the  
Circulating Medium.

Washington, July 7.—A decrease in  
circulation per capita of 40 cents on  
July 1, as compared with a year ago,  
is shown by the latest treasury state-  
ment on that subject.

On July 1, 1909, the amount which  
each man, woman and child in the  
United States would have, if it was  
equally divided, was \$35.01; last Fri-  
day it was \$34.52.

## WHAT EVERY WOMANLY WOMAN WANTS.

One of the fondest desires of mil-  
lions of women is to have beautiful  
hair.

This desire can be gratified without  
the slightest risk, for druggists every-  
where, and E. J. Jenkins, sell a hair  
tonic called Parisian Sage, that will  
turn dull, lifeless, unattractive hair  
into lustrous and attractive hair in  
two weeks, or money back.

Put the name on your shopping list  
right now, and be sure and get the  
genuine. Every package has the girl  
with the Auburn hair upon it.

Since its introduction in America,  
Parisian Sage has won unstinted  
praise from women of refinement who  
have learned what a delightful and  
refreshing hair tonic and dressing  
Parisian Sage is.

Just because the makers are abso-  
lutely certain that Parisian Sage is  
the only preparation that kills the per-  
nicious dandruff microbes, they are  
willing to guarantee it to banish dan-  
druff, stop falling hair and itching  
scalp, or money back.

A large bottle of Parisian Sage costs  
but 50 cents, at druggists everywhere,  
and at E. J. Jenkins. Mail orders  
filled, charges prepaid, by Giroux Mfg.  
Co., Buffalo, N. Y.

Mrs. F. J. Moreau, 9 Oak St., Con-  
cord, N. H., wrote Nov. 1, 1909, "Par-  
isian Sage has done wonders in my  
case as a dandruff cure, for my scalp  
was in a bad condition. Hair doesn't  
fall out as bad, the new is making its  
appearance fast. Am still continuing  
its use."

Mrs. A. J. Parnell, of Hearne, Texas,  
says: "Our little child suffered a  
great deal from a kidney weakness  
and no matter what we did, she be-  
came no better. We were in despair  
until a friend suggested a trial of  
Doan's Kidney Pills. We procured a  
supply and the results of their use  
were very satisfactory. We have no  
hesitation in recommending Doan's

ren similarly afflicted."
